

Los Patios

Your oasis in the heart of the city!

In September, the Ameleb Heritage Foundation will sponsor a Sunday Brunch and fund-raiser at the beautiful Los Patios Restaurant. Located on the banks of Salado Creek, the beautifully preserved, natural setting will relax and inspire you with its 18 acres of majestic trees and gently flowing waters. This event will serve two purposes: One is to hear from the three Cultural Scholarship awardees who just returned from Lebanon. Second, this event will raise awareness about donating funds for future Foundation scholarships.
